School Store Experience:

I understand that this is a voluntary position and that my school work comes first. I will be required to be at school by 9:00 A.M. each morning to prepare for the News Show or work in the School Store. Students not checking in by 9:10 A.M. go to their first period class. For new students the first four weeks is a probationary period. After learning all of the skills necessary and showing exemplary behaviors and good work ethic students will become full members of the WSMS News Crew or School Store. Students may choose to do either on camera or off camera jobs, however each student will need to know how to do all jobs in the News Room.
